

TrueFaced – Chapter 5: The Sweetest Gift of Grace: Repentance

1. How have you heard repentance defined in the past (before reading this book)? When you think about this, who is it that is doing “the repenting”? How do these concepts of repentance match up with God’s grace?
2. Why is Willpower (pg. 100) a misnomer, i.e., “no power at all”? Discuss how this relates to the sin management vicious cycle described in pg. 101-102.
3. Why is Confession limited? When is sin truly resolved, and how does this match up with 1 John 1:9?
4. What is repentance truly about (pg 103)? What does every act of repentance depend on (pg. 104, 3rd paragraph)?
5. What are the three things that inhibit repentance (pg. 106-107)?
6. How do we view and treat others when they repent? What should be our mindset if we are to be a “Grace-Filled Community” (pg. 107-108)?
